

Groups Financial Support Policy

New and Expanding Groups

The Committee will, at their discretion, provide financial support to new groups or to those planning significant expansion of members' activities. An example could be extra facilities, such as additional courts hire for sports groups:

Equipment

A grant can be made to cover the cost of the purchase of items.

Running costs

If groups submit projections for their planned income and costs backed up by end of month accounts, shortfalls for up to a period of 3 months can be covered.

Established Groups

Once a group is up and running it is expected to pay for meeting venues, court hire, refreshments as well as consumable items (such as books, cards, balls and rackets) from its members' contributions.

Requests

All requests to be made to the Groups Coordinator, cc the Treasurer.

Agreed by the Committee 4 July 2023
