

BACS (Bank Transfer) payments for renewals.

You do not have to log in to the system if you make a bank transfer using you electronic system.

If paying by this method then you will need to transfer the money to the following account at Lloyds Bank.

Account Name: Cheltenham u3a

Sort Code: 30-91-87

Account No. 35489368

You must also provide us with the following information (in the sequence specified) or we won't be able to identify the payment. Up to 18 characters can be input into the BACS reference field

Membership Number

Surname Forename

As the BACS payments are made outside of the Beacon system your details are not updated automatically and there will be a small delay as we process the payment and send out membership cards. Cards will be sent by email.

Possible Problems

1. The BACS system is very good when checking that the Account name is matched to the sort code and account number. But mistakes do occur so please check that the bank details have been input correctly.
2. Ensure that your membership number and your name is input. We will use this information to match to the bank statement and update your renewal details.
3. Transfer the correct amount for your class of membership..
